Come and visit **Discovery Village At Twin Creeks**, and stay for the lifestyle! Our community is established from a new era of bold, energetic senior living, complete with resort-style amenities and a wealth of social and recreational activities. Our six lifestyle programs come together to create a senior-living experience unlike any other.

Meet our Director of Recreation and Events, Julie Thomas. As a native Texan, her experience in corporate administrative functions including HR and Events began in the Dallas area. She has held roles including teaching children, organizing booster events for local sports teams, community volunteer and most recently comes to us from another luxury senior living community. Julie is passionate about discovering the community in which we live, work and play; enjoys fine arts as well as local traditions; celebrating special occasions and taking adventures. Her desire is to engage the community through food, fun and entertainment for all by having more fun today than we did yesterday!
