JULY 2021

COMMENT BOX

PLEASE USE THIS BOX! Some ideas for comments would be:

Add a personal preference for a dinner menu. We can pick a “Residents Choice” menu for the kitchen to prepare.
Tell us something good about our staff, if one of the staff goes above and beyond, we want to hear about it. We would love to start a gold star program to distinguish staff that deserve the kudos.

Bridge is Back!

It is on the Activity Calendar for every Friday morning at 9:00am. After a long break caused by the pandemic, we are now able to gather around a table to play cards. The bridge group will be formed the first morning we gather. We will take names and exchange phone numbers so that we can keep in contact with each other. Hope to see you at the bridge table!

Celebrating America in July!

This is the theme for Activities this month. We will get our thinking caps on for “The Ultimate Guide to the Presidents: How the Presidency was Formed (1789—1824)” This program will happen Monday, July 19th. Another program for us will be the “Walk Across America—Coast to Coast” on Tuesday July 12th this will be a slide show of lovely places we might see along the way. “July 4th favorites with Don & Sharon” is on Friday, July 2nd. We have a good ol’ water balloon fight with the Young Mens Service League (YMSL) boys on Saturday, July 17th. And for a vocational project we will be baking cookies for the YMSL boys on Saturday, July 10th.

Resident Spotlight Mary Wright

If you ask Mary Wright if she led a good life, she would say, “Oh yes!” Mary’s parents could not have children of their own so their family doctor arranged for them to adopt a newborn baby girl from the Old Soldiers Home in Iowa. They took baby Mary home to their small farming town in western Illinois. Mary had a great childhood, after high school, she went off to college in Iowa. While there Mary had an interview to be a radio DJ, and her interviewer happened to be Mac Wright. He turned out to be her lifetime love. Mac had plans, he went off to Harvard to study law, then into the military, then back to Harvard. During this time Mary studied Nursing at Northwestern, where she got her Bachelors and Masters in Nursing. After working a few years in Chicago Mary decided to meet Mac in Massachusetts. Mary had gotten a job at Massachusetts General as an orthopedic nurse. Mac was still working on his Law degree but in 1956 they got married. Mac had been offered a job at a firm in Kansas City. They had 3 children in Kansas City; David, Steve, and Carol. When the kids were little, Mac took another job as a corporate lawyer so they moved their family to the suburbs of Chicago. While working as a nurse in Chicago, Mary went back to school to get her degree as an Adult Nurse Practitioner. She worked for the family practice until she and Mac retired in 1989. They retired to New Mexico, so the two lived very happily there. In 2014 Mary found herself needing to be closer to her two children living in the Dallas area, so she made her move to Discovery Village Apartment 211. On a side note, Mary found her birth siblings a few years back. It was quite a reunion story, you will have to ask Mary about it next time you see her.
